Will check with Claudia to be sure we are not missing anyone and then I will reply to Darcy.

How is this for a start?

On the U&O FIP the following OAQPS staff and management have been very helpful to Region 8 in keeping it moving: Greg Green and Chris Stoneman.

In addition, other OAQPS staff have provided valuable technical review: Bruce Moore, etc.

Just send the response directly to Darcy after you add your names – if any ;)

Thanks

Subject: HQ folks I may want to call out for the Administrator

Importance: High

Folks, a couple of high priority areas we intend to highlight in SLT's short discussion with the Administrator tomorrow is the U&O FIP and the LCR and PFC work. Please let me know if there are any folks you think I should specifically mention (and/or thank for their assistance) when I talk about our coordination with various offices in HQ (OAQPS, OAR, OW, OGWDW, etc.). I need any names and where they work by no later than 9 am tomorrow.

Thanks!

D
